## SUSTAINING MEMBER FORM

We are writing to ask for your help. The special SUSTAINING MEMBER category is one in which members remit an additional \$100 with their dues for the fiscal year. The additional contribution allows us to upgrade our technological equipment and office infrastructure, as well as enhance member services. Funds collected through our Sustaining Members program has allowed the OCBA to make one-time investments of these types while raising dues only \$20 over the past 20 years.

Specifically,

- We added more member functionality to our website & membership software;
- Upgraded technology in the professional development training room utilized by OCBA members;
- We better outfitted the board room with presentation capabilities.

And this year we will be renovating and updating the OCBA offices and meeting spaces to make them more functional and comfortable for our members.

### **AS A SUSTAINING MEMBER,**
