I joined the Oakland County Bar Association very early in my legal career and immediately recognized the value and the importance of the organization. The OCBA singularly ushered me into Oakland County's legal world by helping me to foster long-lasting relationships with fellow Oakland County practitioners, providing practical and cutting-edge CLE that helped me to build my practice and become a leading criminal defense practitioner in Oakland County.

I welcome the opportunity to serve on the OCBA Board of Directors and help secure the future of this storied organization for decades to come through robust membership, being a leader in meaningful continuing legal education and offering premiere legal events that continue to bring the bench and bar together.
