March 2021

Dear Fellow Members of the Oakland County Bar Association:

I am seeking re-election to the Board of Directors for the Oakland County Bar Association, and I am writing to ask for your vote. I am honored to be nominated once again alongside a group of impressive and capable individuals.

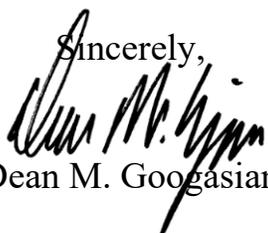

It has been my privilege to serve on the Board of Directors since 2015. In that time, I have faithfully attended Board meetings and OCBA events and worked on a number of committee and Board-related efforts. I currently serve as Secretary to the Board, and on the Executive Committee, as well as the OCBA's Finance Committee and Planning Work Group. I previously spent two years as Chair of the OCBA's Membership Committee.

I continue to believe that the OCBA is important to the practice of law for many reasons, most notably for the sense of community, collegiality and inclusion that the OCBA fosters.

I am extremely proud that our Board has taken a stand this year by advocating for diversity and inclusion and denouncing systemic racism in all its forms, and that the Board is working to support its words with action. I am gratified as well that, along with the OCBA staff and leadership, our Board is capably navigating the pandemic and all the changes it has brought.

Should I have the opportunity to continue to serve on the Board, I will remain dedicated to making the OCBA an inclusive organization that is a force for good in our profession and in our community.

Thank you for your consideration. I humbly ask for your support.

Sincerely,

Dean M. Googasian
