Dear Fellow Oakland County Bar Association Members:

I write to humbly request your vote to elect me to serve as a member of the Oakland County Bar Association's Board of Directors.

Since returning to practice from academia in 2014, I have been actively involved in the OCBA. I first joined the Criminal Law Committee while I was doing court-appointed defense work. When I moved in-house, I joined the Business Court and Counsel Committee. I eventually came to serve as Vice Chair and Co-Chair of that committee. Since securing my current position, I have been a member of the Municipal Law Committee, and am Vice-Chair this year.

I would be honored to serve as a member of the Board of Directors, should you elect me to that position. It would be a privilege to serve in this capacity. When I was preparing to leave academia to return to private practice, the first place I turned was the OCBA. I know there was no better avenue to put me on the path to success. Serving on the board would allow me to support others seeking this same opportunity.

Thank you for your consideration,

  
Jennifer J. Henderson
