

## OCTLA FOUNDATION CLUB MEMBERSHIP

We invite you to join with other OCTLA members, Past Presidents and Board Members as an OCTLA Foundation Club Member. The OCTLA Foundation Club was created in 2007 to provide additional financial support to help underwrite the increasing costs of our membership benefits, monthly MCLE programs, social events and administrative costs, all of which continue to increase as our organization grows.

Foundation Club Members are highlighted as our premier supporters and are prominently showcased on the OCTLA Website, listed in each issue of The GAVEL magazine, which as you know is read by over 700 OCTLA members, as well as the judiciary of Orange County. Please join with other OCTLA members to support the Orange County Trial Lawyers Association.
