

For a dollar a day you can contribute to funds used by OAJ to advocate on your behalf on the issues that matter most. As we continue to see immunity provisions, the threat of workers' compensation reform, attacks on access to the court and attacks on your practice, your contribution will directly support our work on these important issues. As a member of the 50/50 club, your contribution will be divided equally between OAJ and the OAJ PAC, both of which are integral to supporting our mission. Join today for as little as one dollar a day by completing and returning the form below.
