

OAJ Women's Caucus Section Article January 2015

By: Sydney McLafferty, Esq., Columbus, OH

At the Winter Convention this past November, Women's Caucus Chair Sydney McLafferty and Executive Committee Member, Ellen McCarthy were pleased to present a professionalism session entitled *Understanding The Legal, Neurological And Psychological Aspects Of Tolerance*. Our speaker, Scott Warrick, is a consultant in the legal aspects of human resources. With a juris doctorate of his own, Mr. Warrick brought highly specialized information with him to explain how and why lawyers can get it all wrong (or right!) in handling what should otherwise be easy relations between males and females in the workplace. As Mr. Warrick said, if you wouldn't want to read it on the front page of the newspaper – DON'T DO IT!

Coming up in the first quarter of 2015, look for emails from local networking groups establishing new dates for local meetings. Our best resources come from each other so make sure you take the time to connect and get together to keep those relationships firm.
