  - Avg. Incorrect Answer Time: 5 min 12 sec
- Buttons for 'Review these questions' and 'Continue to Study Plan >'.
- A message at the bottom: 'That was a long one! Feel free to "chill out" for a while. Seriously, you deserve it!'

# Lessons

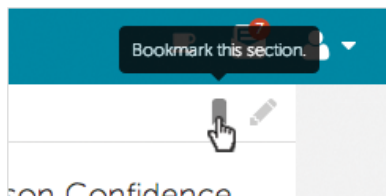

Learn and review PPAG study materials.

Follow these helpful tips to get the most out of Lessons:

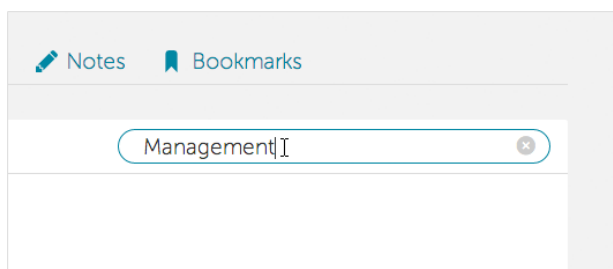

- Mark your confidence levels (you must do this for your progress to be counted!)

- Bookmark a page to easily refer back to a concept or leave a note to remember your thoughts and questions.

- Search the Table of Contents to find Lessons on specific topics.

# Flashcards

Easily memorize important terms and concepts.

Digital flashcards are perfect for learning terms quickly.

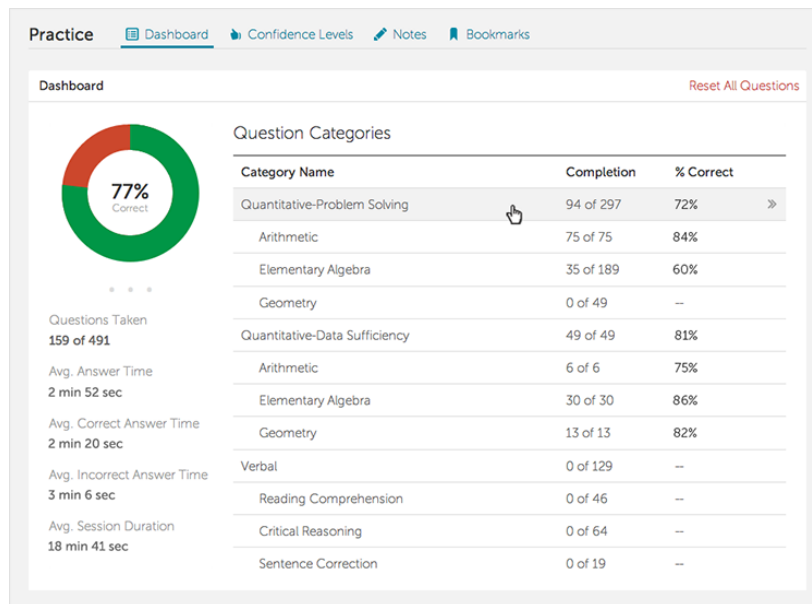

You can filter flashcards by category and confidence level for a more organized approach. Or, you can shuffle them up for a challenge!

Pro Tip: You can use your computer's arrow keys to scroll through flashcards.

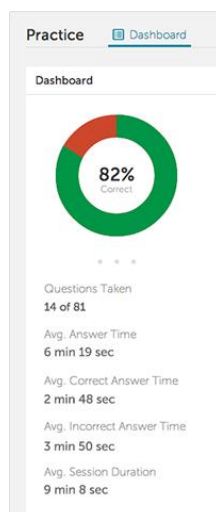

# Practice Questions

Test your knowledge with review questions.

Attempting practice questions will help you improve in a particular category.

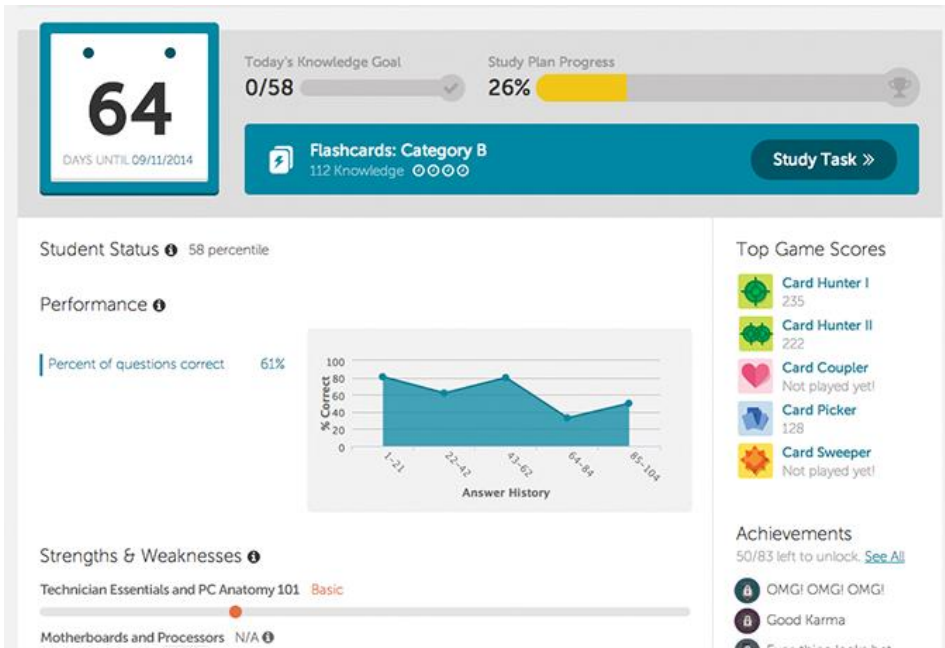

Our charts and data show you your strengths and weaknesses so you can focus more on your weak spots.

# Dashboard
