PRODUCING YOUR AD

Color

Use CMYK, four-color process for all images and graphics that print in color. Use grayscale for all black and white ads.

Fonts

Embed all fonts. To avoid font issues with EPS files, convert all fonts to outlines.

Bleed/Live Space

Full page ads may bleed. Use bleed specs which allow an 1/8" (0.125") beyond trim. Omit crop marks or offset crop marks by at least 1/4" (0.25"). Live matter (anything important or necessary to the reader) must be 1/4" (.25") from the trim.

Image Resolution

All images should be 300 dpi.

File Type

Provide a print-resolution (300 dpi) PDF with live or vector type. Embed all fonts or convert to outlines. Files received in any other format are subject to standard production rates of \$80 per hour with a minimum of 1 hour.

SUBMITTING YOUR AD

E-mail & FTP

E-mail your ad directly to Chellie Thompson at Monarch Media, chellie@monarchmediainc.com.

You may FTP your ad to Monarch Media if the file is too large for e-mail. You must use an FTP client such as Cyberduck or Core FTP to upload your file. Please email to request instructions.

Materials Deadline

See the schedule below. A signed ad agreement must be received to reserve space by the close of business on the reservations deadline.
