SAN DIEGO COUNTY BAR ASSOCIATION CELEBRATES
U.S. CONSTITUTION WITH LAW WEEK 2022

SDCBA Seeks Entries for K-12 Student Poster, Video Contest

SAN DIEGO (January 24, 2022) – The San Diego County Bar Association (SDCBA), the region’s largest law-related organization serving the needs of local attorneys and the legal community, will celebrate the enduring role of the U.S. Constitution as part of the organization’s annual Law Week festivities this spring.

This year’s theme, “Toward A More Perfect Union: The Constitution in Times of Change,” recognizes the Constitution’s nature as a dynamic document that has laid the foundation for legislation, court rulings, and amendments over the course of U.S. history.

As part of the Law Week festivities, the SDCBA invites students in San Diego County schools from grades K through 12 to create and submit original posters and videos based on that theme to its annual Law Week contest.

All entries will be evaluated by a committee of SDCBA attorneys based on originality, creativity, and impact and will be judged in the K-5, 6-8, and 9-12 grade level categories. Students may submit either one poster, one video, or one poster and one video. All first-place poster and video contest winners will be recognized at the Annual Law Week luncheon held on May 20, 2022 and will be featured in the SDCBA’s Law Week gallery web page, in San Diego Lawyer magazine, and on the SDCBA’s social media platforms.

The first-place winner in each category will receive $300, the second-place winner will receive $200, and the third-place winner will receive $100 in prize money. Complete guidelines and instructions on how to enter are available here.

“We are excited to invite San Diego youth to join with us in celebrating the foundational role of the Constitution of the United States in our society,” said SDCBA President David Majchrzak. “This is a unique opportunity for our county’s students to express their creativity while learning more about how this landmark document setting forth our fundamental laws continues to shape American life.”
The San Diego County Bar Association, established in 1899, is the region’s largest law-related organization, whose mission is to connect lawyers and support their success and fulfillment.
