

BECOME A MASTER IN AGD

Complete your journey to excellence with the highest designation—Mastership in the AGD. A professional designation within the AGD beyond Fellowship, Mastership reflects a general dentist’s ongoing commitment to providing quality patient care through continuing education. You can gain the necessary 1,100 CE hours through Texas AGD MasterTrack® program conferences and online programs. Local components can also provide CE.

Around 1% of dentists in the entire nation and only 2% in the State of Texas have earned this designation* - start your track to join this prestigious group of dentists.

With an opportunity to earn 96 hands-on hours a year in required subjects, Texas AGD’s groundbreaking MasterTrack® program is a fast track to getting your Mastership CE requirements met at an affordable price! Click [here](#) and learn more today!
