How can you earn FREE membership?

The FellowTrack program is a continuing education series created specifically for dental school students. The program topics are carefully selected to fit the needs and interests of today's dental students.

FellowTrack sessions meet multiple times throughout the school year and offer free food and CE!

While these courses are built to support the general dentists of tomorrow, they were also instituted to provide an early start towards earning Fellowship in the AGD. Therefore, as an added benefit, if you participate in FellowTrack, your membership in the AGD is paid for by your local component!
