

## Welcome to the Texas AGD Team, Kori!

**AUSTIN, Texas - (March 8, 2019)** – We would like to welcome to our team Kori Chavis, as the Education Program Coordinator! She has an undergraduate degree in Business Management and Leadership and graduated top of her class all while earning her Master's in Public Administration at The University of North Carolina at Wilmington. She comes to us with a wealth of experience working in the marketing and business fields.

As part of the Education Division Team, Kori will enhance the continuing education programs for members at the Texas AGD. She will work closely with the team and volunteer leaders to help coordinate BusinessTRACK, New Dentist Conference, Lone Star Dental Conference, and MasterTrack®. In addition, she will assist in coordinating the educational offerings for our online programs. She aspires to not only be an asset to the team but also provide general dentists with the necessary resources they need to succeed in their career!

Originally from North Carolina, Kori enjoys reading, traveling, watching movies, and most of all getting to explore Austin and all it has to offer with her husband.
