Additional Lecture Topics:					
	**MasterTrack earned hours become effective after protocol presentation (48 per session). Otherwise, direct credit will be assessed on an hour-for-hour basis.		Total: 400 Hours Participation 600 Participation/Lecture		

Note: MasterTrack provides a total of 384 hours hands-on over 4 years fulfilling subject-specific requirements. Additional hands-on and lecture in any subject code may be attained through attendance of other AGD workshops. Those seeking Mastership should consult TAGD staff to determine the course of study best suited to their goals and interests. Some courses may be granted credit in more than one subject code. Those who received their Fellowship prior to 2003 should check to make sure Fellowship hours are reflected on their transcripts.
