## ***Make Sure the Choice Is Yours.***

Each year, powerful corporate and insurance interests spend millions of dollars lobbying the Tennessee state legislature for legislation that will weaken the legal rights of your clients. These special interests want to close the courthouse doors to Tennessee families who need justice most.

You're committed to your clients. You know the battle to protect your clients' rights doesn't end at the courthouse door.

***You need to get involved – and you can!***

You can help choose the legislators who will decide the fate of these so-called “reform” bills – by joining Lawyers Involved for Tennessee.

LIFT is crucial in fighting to protect your clients' rights.

Contributions go directly to support state candidates who understand and support the civil justice system – candidates who will fight for your clients and their families – and for you.

Make an ongoing monthly contribution to LIFT– Your monthly contribution via bank draft or credit card is the basis of LIFT's strength.

***Only you can ensure that LIFT will have the resources necessary to protect your clients' right to trial by jury.***

## ***Did You Know That . . .***

- LIFT is the nonpartisan political action committee of the Tennessee Trial Lawyers' Association.
- LIFT works to preserve the right to a jury trial in civil litigation by financially supporting the campaigns of friends of the civil justice system who are running for office in the Tennessee State Legislature.
- LIFT is the only state PAC dedicated to preserving the civil justice system.
