Notes

- TALS has updated its 'Find Representation' page on its website, www.tals.org, to show upcoming clinics. This page is linked to the OTJ homepage and will allow users to see local legal services as well as clinics when they use the link.
- The Tennessee Bar Association's Young Lawyer Division has taken on Online Tennessee Justice along with other TALS' programs, Legal Information for Tennesseans (www.legalinfofn.org) and 1-888-aLEGALz, for their focus on pro bono as their public service project this year. TALS has had two conference calls with TBA YLD and is providing materials as needed.
