

Tennessee State Mock Trial Competition March 20-21, 2020

Additional Agreed Stipulations & Corrections

Agreed Stipulations:

1. When Drew Jennings' tool box was produced during discovery, an inventory of its items revealed a variety of nails, staples, and screws, including a single Ace No. 6 x 1 in. L Phillips Bugle Head Galvanized Deck Screw.
2. As stated in the problem, the Intentional Infliction of Emotional Distress portion of the Plaintiff's Complaint was dismissed on Summary Judgment. There are no remaining IIED claims to be addressed at trial.
3. Exhibit C is the 1" galvanized deck screw ingested by Bryson Sailor and removed by Dr. Kares.

Corrections:

1. On the list of Witnesses (page 10) the list currently provides "Witnesses for the State." Instead, the list should read "Witnesses for the Plaintiff."
2. Exhibit B is amended as attached.
