**NO LATER THAN FEBRUARY 15, 2021**

In an effort to reduce unnecessary printing, there is a strong preference that nominating petitions be submitted electronically. Submitting an electronically signed petition comports with all nomination and election requirements contained in Article VII of the Tennessee Bar Association Young Lawyers Division's Bylaws.

\* Candidates running for the Executive Committee positions of vice president, secretary, treasurer and any of the three grand division governors must file a written petition signed by at least 25 TBA members in good standing. Please do not use this form for those positions.
