

Tennessee State High School Mock Trial Competition

2014 TEAM ROSTER

In order to assist the presiding judge and the scorers during the trial and to identify prospective "best advocate" and "best witness" award recipients, the teacher or attorney/advisor should fill out two versions of this form (one for the PLAINTIFF team and one for the DEFENSE team). Bring 20 copies of the plaintiff version and 20 copies of the defense version to the competition site. At the start of each preliminary trial round, give five copies of the appropriate version (plaintiff or defense, depending on which role the team is playing in that round) to the bailiff/timekeeper. **This form should not include the school name.**
