

New TBA Fellowship Office Space is Complete!

Through generous grant donations, the TBA was able to revitalize a portion of the second floor to create a new working space and private office for our fellows to use. We have configured separate working stations for each fellow, along with a conference table to conduct trainings. The fellows also have access to a private office, which they can schedule to meet with clients. We are thrilled with the results of the renovation, and excited to have our new class of fellows start their practices in the TBA building.

People over everything.
It's that simple.

At its heart, a business is about people. A group of people coming together to create something bigger than themselves. To create a solution or a product or an experience in the service of other people. At Huntington, it's our belief that running a business is about more than making money, it's about making people's lives better. **So let's roll up our sleeves and get to work, together.**

Proud to be The Official Bank of the Toledo Bar Association.
