Michael Callahan is the founder of The Callahan Law Firm based in Houston. He and his firm focus on representing individuals and families in catastrophic injury cases as well first party insurance cases throughout the state of Texas.

As an undergraduate, Michael studied mechanical engineering at the University of Texas at Austin graduating in 1989. He then moved to Houston and worked as a design and construction engineer in the chemical and petrochemical industry for a number of years before attending law school. He graduated from South Texas College of Law and has been licensed to practice law since 1994.

Michael is also a graduate of the Trial Lawyers' College founded by Gerry Spence, a college which is dedicated to training and educating lawyers who are committed to the jury system and to representing and obtaining justice for individuals. He has been on the teaching faculty of the Trial Lawyers' College since 2011.

Michael is Board Certified in Personal Injury Trial Law by the Texas Board of Legal Specialization.
