* Dues payments, contributions or gifts to VTLA are not tax deductible as charitable contributions for federal income tax purposes. However, they may be deductible as ordinary and necessary business expenses subject to restrictions imposed as a result of VTLA's lobbying activities as defined by the Budget Reconciliation Act of 1993. VTLA estimates that the nondeductible portion of your annual dues - the portion that is allocable to lobbying - is 20%. Membership runs on a calendar year. Non-discounted dues paid after September 1 apply through the following calendar year.
