

Protecting Your Client's Recovery

Tools to Protect Settlement Proceeds
3:00 -3:45 pm

What You Can Expect:

Let a panel of experts teach you the nuts and bolts of structured settlements, special needs trusts, and other financial tools that can make your clients' settlement proceeds work for them in understandable, laymen's terms. Learn how and when they are beneficial, the process to fund and administer them, and their associated costs and tax implications. There will be plenty of time for questions.
