

Protecting Your Client's Recovery

**Hidden in Plain Sight:
Finding Assets and Income**
11:30 – 12:15 pm

What You Can Expect:

Your client is seriously injured and the insurance coverage woefully inadequate. Find out how to hold a negligent defendant accountable with techniques to identify hidden assets and income. Learn which assets are susceptible to being hidden. Explore discovery strategies and tools. Discover the use and role of forensic accountants to uncover sources of payment when insurance money isn't enough.
