

LAWYERS INSURANCE QUOTES - WE SHOP, YOU WIN! ENDORSED BY WSAJ.

The Lawyers Association Trust Insurance Program through WSAJ is a membership benefit established for you! Over 1,200 Washington firms are now participating through the program administrator, Moranco. When Moranco shops the marketplace, you win!

WSAJ President 2020-2021
Celia Rivera

"One of the great benefits available to our membership is through the use of Lawyers Association Trust. Currently, over 1,200 firms utilize LAT-Moranconational for professional liability insurance. This is clearly a 'win-win' situation. You obtain insurance coverage at very competitive rates while funds are raised to support WSAJ. When Moranconational first ran our quotes it was with the same carrier but they were able to get it for less (and it was just a signature to switch agents).

I strongly encourage all members to get a quote from LAT-Moranconational now for all your insurance needs. I'm one of over 1,200 firms that have taken this opportunity to secure coverage thereby helping WSAJ secure a better future for everyone."
