*ARE YOU A REGULAR MEMBER OR AN ASSOCIATE MEMBER?

Regular Membership

The WAJ By-Laws provides that “All persons licensed to practice law in Wisconsin or any other state of the United States of America and who are members in good standing of the licensing authority of their respective state, whose practice consists, in whole or part, in litigation or trial practice, and who shall adhere to the objects of WAJ, shall be eligible for membership in WAJ.” The WAJ By-Laws also provides that: “The Board of Directors may establish categories of membership.” The Board of Directors has defined “Regular Member” as “one who, with respect to the personal injury/tort litigation he or she does as part of his or her practice, devotes at least 95% of his or her time in representing the injured party or plaintiff.”

Associate Membership The WAJ Board of Directors recognizes that there are many defense attorneys who support the Association’s efforts to preserve and improve our civil justice system and we have long welcomed such defense attorneys’ membership in the Association. Therefore, “Any person that represents the defense of personal injury or workers compensation litigation, shall be eligible for ASSOCIATE Membership. In addition, lawyers who represent the interests of health insurers, self-insured entities, or automobile medical payment insurers in connection with claims based on subrogation and/or reimbursement shall also be eligible for membership as ASSOCIATE MEMBERS but not as REGULAR MEMBERS. Associate members are entitled to all benefits of regular membership with the exception that associate members are not entitled to hold office or participate on any WAJ list serve or WAJ seminar, or session within a seminar, that the WAJ Board or Governors has chosen to limit to regular members only.”

***WAJ OPERATIONS FUND CONTRIBUTIONS (FORMERLY TORT PRESERVATION)** are a critical source of funding to support WAJ and its legislative efforts. Contributors are recognized in The Verdict, website, newsletters and at WAJ seminars. Corporate payments to WAJ Operations Fund are permitted.
