

Workers' Injury Law & Advocacy Group®

WILG is the national non-profit membership organization dedicated to representing the interests of millions of workers and their families who, each year, suffer the consequences of work-related injuries or occupational illnesses and who need expert legal assistance to obtain medical care and other relief under workers' compensation programs. WILG is a network of like-minded advocates for workers' rights, sharing information and knowledge, a sense of commitment and kinship, and networking to help each other and our clients.

The Board of Directors of the Workers' Injury Law & Advocacy Group would like to invite you to participate in the Top Injured Workers' Advocates program by nominating members of your staff. The WILG Top Injured Workers' Advocates program recognizes the best legal staff assisting in representing injured workers in the Nation. You may nominate members of your staff that you feel are the elite in the field of representing injured workers and whom you would like to honor by inducting them into the program.

The Workers' Injury Law & Advocacy Group: Top Injured Workers' Advocates is an invitation only, professional recognition program comprised of America's leading legal staff representing injured workers as determined by you. The program provides you with a wonderful way to recognize and reward your staff. The invitation of membership to the program should be extended to those top staff members who show a commitment to injured workers, have exemplary skills, are team players and go above and beyond the call of duty. The Workers' Injury Law & Advocacy Group will provide you with an engraved plaque to present your chosen staff person, will recognize them on the www.wilg.org website, in *Workers' First Watch* and the e-newsletter.

To participate in this program and honor your staff, please fill out the attached form and return it to the address indicated at the bottom of the form. Again thank you for your consideration in participating in this program and taking a moment to honor your valuable staff and their dedication to injured workers and continuing your commitment to WILG and injured workers.

Best regards,

Jennifer L. Comer
