Human Resource
and Benefits

The BEN platform is a web-based marketplace with voluntary and supplemental benefits from blue chip carriers. We help our partners offer clients and members access to high value benefits that are in high demand.

Benefit Consulting
+ Solutions

Brio Benefits Consulting, Fiduciary Plus, TAG & Transamerica have teamed up to create a streamlined 401(K) plan that will allow our members to benefit from creating an economies of scale, coupled with 3(16) and 3(38) fiduciary support.

WILG[®] has collaborated with LAJ (Louisiana Association for Justice) to provide its members with a high-end, glossy,

quarterly client newsletter that is personalized to each WILG[®] Member's Firm. It contains relevant articles on legal and safety issues that many people and families face throughout the years. It allows another point of communication with current and former clients.

Intake and Client Communication

Provides a 15% discount on their call service for intake and screening of clients. They also provide an ongoing client communication service. LCC has highly trained staff that will reach out to your clients monthly in order to touch base with them in order to do a status check and update. They then will communicate back to you any issues or questions that require follow up. There is a substantially higher rate of client satisfaction, client retention and client referrals with firms that communicate with clients on a regular basis.
