

Conflict of Interest

We, the Directors of the Wyoming Trial Lawyers Association (WTLA), resolve that no member of the Board of Directors shall vote on any matter in which he or she or a member of his or her immediate family has potential conflict of interest due to having material economic involvement regarding the matter being discussed. It is, however, expected that the director participate in discussions about his/her relationship with WTLA, concerns about the matter being discussed and other related issues.

When such a situation presents itself, the director must announce his or her potential conflict and disqualify himself or herself from voting.

The chair of the meeting is expected to make inquiry if such conflict appears to exist and the board member has not made it known.
