Operations Summer Internship:

The Operations Summer Internship program gives college students a chance to gain valuable hands-on experience while learning about different career options available at Mennel.

*Learn and earn with Mennel's
Operations Summer Internship*

Available for first, second and third year college students, our Operations Summer Internship program spans up to 90 days.

A work schedule will be developed and tailored to meet your needs and interests, and includes diverse experience across all functions of the organization. The Operations Summer Internship program allows candidates to observe and go "hands-on" for a complete learning experience.

To learn more, contact Mennel's Recruitment team at hr@mennel.com or 419-435-8151, Ext. 95131. Visit us online at mennel.com/careers today!

At Mennel, we are doing our part by keeping the world *"perfectly balanced"* for baking and beyond.
