Whether you want to start a new business or improve an existing one, Greater Cincinnati SCORE should be at the top of your “to do” list.

Greater Cincinnati SCORE is an important part of the local entrepreneurial ecosystem for small business owners, providing no-cost mentoring and low-cost small business workshops to entrepreneurs who are high on passion, but need the practical business guidance and support that only seasoned business owners and managers can provide.

We’re proud to be an important part of local organizations that help both urban and suburban entrepreneurs, such as the UC Entrepreneurial Center, Bad Girl Ventures, Cintrifuse, Hamilton County Development Center, Morning Mentoring, Queen City Angels, MORTAR and The Hamilton Mill.

With the support of SCORE mentors, these organizations provide the encouragement, expertise and experience many of their members need to build sustainable business success.
