FOR IMMEDIATE RELEASE

Messa & Associates, P.C. Voted by U.S. News and World Report as one of America's Best Law Firms in 2019

PHILADELPHIA, PA – November 5, 2018

Messa & Associates, P.C. is proud to announce that the firm has been named by **U.S. News and World Report** as one of the nation's Best Law Firms in 2019 for their notable and distinctive performance in the areas of Personal Injury and Products Liability litigation. Additionally, the firm has ranked **Tier 1** in the Philadelphia region for *Personal Injury Litigation* on behalf of plaintiffs and **Tier 2** for *Products Liability Litigation* on behalf of plaintiffs.

Messa & Associates' ratings were based on a collection of client and lawyer evaluations as well as additional peer reviews. Clients were asked to provide information related to firm responsiveness, firm civility, cost effectiveness, and understanding of needs. They were also asked to comment on whether they would refer the firm to other clients. Lawyers and peers were asked to state whether they'd refer important cases and whether or not they consider the firm a worthy competitor.

In order for a firm to be considered in a practice area, it is required that at least one of its attorneys be voted by peers into the *Best Lawyers in America*®, a distinction awarded to Joseph L. Messa, Jr., Managing Partner of Messa & Associates, in August of this year.

"We are really proud of the work we do here," said Messa. "It's an honor to receive this kind of recognition, especially when it's based on the reviews of not only clients, but peers as well."
