Dear Parents,

In this series, we are looking for clues in God's Word that help  
us connect the dots and learn amazing things about who God  
is. Today, we learned that all Scripture is inspired by God and  
teaches us. Students learned that every word in the Bible is  
there to help them, guide them, and to learn from every day.  
You can help your child continue learning about living as  
followers of Jesus by completing the  
following activities with the suggested schedule!
