Dear Parents,

In this series, we are looking for clues in God's Word that help us connect the dots and learn amazing things about who God is. Today, we learned Christ is the head of the Church, and when we make Him the leader of our lives, we are the body. We are the Church because the Church isn't a building, it is a group of people. You can help your child continue learning about being the Church by completing the following activities with the suggested schedule!
