

## Read Mia's Special Find

### READ AND COLOR

One quiet afternoon, Mia was looking for a book to read on the tall bookshelf. She pushed aside some big, heavy storybooks and saw something hiding way in the back. It was an old, dusty book with tattered edges.. Mia pulled it out gently. It was an old Bible! She held it close and remembered something very important. The Bible is not just a normal book. It is special because it comes straight from God.

As we learn in 2 Timothy 3:16-17, "All Scripture is inspired by God." This means God uses the Bible to teach us what is true and show us how to do good things. It helps us get ready to do God's work! Mia knew a book this special should not be hidden in the dark. She carefully carried the Bible to the bright table in the middle of the room. She dusted off the cover and placed it right in the center. Now, God's Word had the place of honor it deserved.

#### Talk About It:
