

DEAR PARENTS,

In this series, we are talking about how God can take the impossible things in our lives and make His way possible. Today, we learned that when we face impossible things, we can trust that God will make a way through. The way He makes may be completely unexpected, as it was for Moses and the Israelites as they escaped Egypt. You can help your child continue learning about watching God make a way in their lives by completing the following activities with the suggested schedule!
