DEAR PARENTS,

In this series, your child will learn what it means to live in our God-given purpose as a family. Today, we learned that we should serve those in our family and also serve as a family. As followers of Jesus, family is at the core of what God designed for relationships, and serving together teaches our kids to show love to those God has put in our lives. You can help your child continue learning about serving others by completing one activity each day with the suggested schedule!
