Miriam Showed Love by Serving!

Discovering The Story: Your child might feel as though they are too small to make much of a difference, or perhaps they might be too used to having things done for them. You can empower your child to serve within your family by reminding them that Jesus gives them strength and that they are a capable helper! The best way to teach your child to have a servant heart is by modeling serving within your own home with your own family members.

LIAM LOVES BY SERVING!

It was Sunday and Liam was ready for church! His family drove there together, and as they were walking inside, Liam saw a man holding the door open for them! How nice! Then, Liam saw a lady handing out snacks. That's a really nice thing to do, too, Liam thought. Later, Liam saw two boys helping stack chairs! "Mom," Liam began, "Why are all of these people doing that?" His mom smiled and said, "They are serving! That means that they are doing things to help others. God wants us to serve so that we can be strong together." Liam thought about that for a minute, then he knew that he wanted to serve, too! Later, when it was time to leave church, Liam held the door open for his mom, dad, and sister! Liam loved serving his family!
