Bit, Spark, and Rudder

James 3:2-6

A bit fits in the horse's mouth. It is small, but it controls where a large horse goes.

A rudder is part of a boat that is under the water. It is small but it controls where a huge ship goes!

A tiny spark is so small, but it can grow into a large fire.

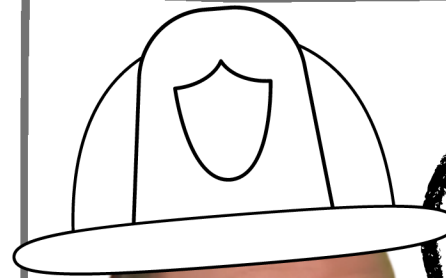

Our mouths are small, but they are really powerful. We can speak words that are kind or unkind.

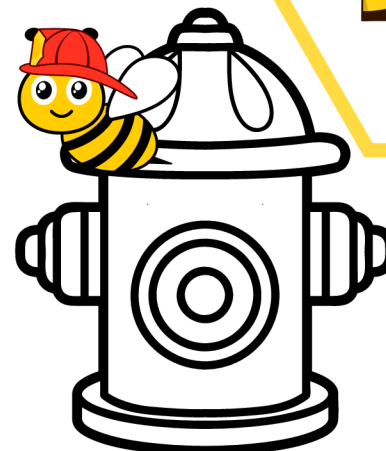

Jesus wants you to use your mouth to say kind words!

WORDS CAN BE SWEET LIKE HONEY

God wants us to use kind words. How many can you think of now? Have someone help you write down kind words in each honeycomb below.

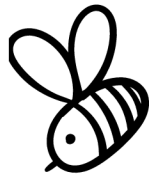

I WILL SAY KIND WORDS

Directions: Look at the pictures and read the signs. When can your child say these words? Think of situations and practice them. Ask your child how you are doing using kind words.

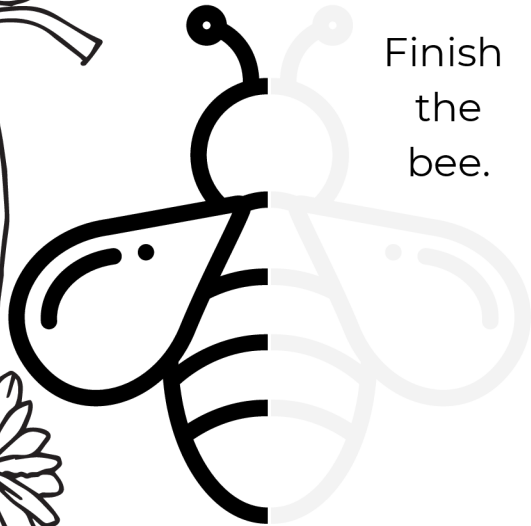

5 READ THE POEM AND COLOR

My mouth is kind of little.
But it can cause much hurt.
If I am careless with my words
And selfishly I blurt.

My mouth is kind of little.
But it can cause much ease.
If I am careful with my words
It's like honey from the bees.

Finish
the
bee.

I will say kind words!
