## PERSONAL GROWTH

### Your challenge this week:

Faithfulness doesn't happen automatically. We must intentionally pursue it. Faithfulness, as a Fruit of the Spirit, is a characteristic of God that we are empowered to deploy. Throughout the week stop and think about how you can live in faithfulness when a problem seems impossible to overcome.

What obstacle feels impossible to move past in your life?

---

---

What lifts you up when you are feeling defeated?

---

Write a story of faith either one you have heard or your own.
