

Max's Strong Foundation

READ AND COLOR TOGETHER

Once there was a strong cement mixer truck named Max. Max loved his job because he knew how important it was. Every day, he worked hard to pour strong, steady foundations for houses, schools, and bridges. Max understood that without a solid foundation, nothing could stand very tall. One day, Max heard the builder say, "The foundation is the first thing we build."

The foundation holds everything together." That made Max think about how important a strong foundation is. Just like a house needs a strong base, our lives need a strong foundation, too. Max thought, "I will put God first!" With God as the foundation, Max knew everything else would stand strong and steady, just like his work.

Talk About It:

- What happens to a building that does not have a strong foundation?
- What happens to us if we do not have a strong foundation for our lives?
- What are some things we can do to help us have a strong foundation for our lives and for our family?

Dear Parents, This is the fourth and final week of our series, UNSHAKABLE. In this series, we have been learning how our families can grow and thrive according to God's design. Today, we learned to put God first through the story of Noah. You can help your child continue to grow in their faith by helping them complete the provided activities at their own pace. It's fun, easy, and you will grow together! When your child completes it, sign the front and have them return it to class the following week for a prize.

NOAH

Retold from Genesis 6:9-7:24

A long, long time ago, there was a man named Noah. Noah loved God and listened to God. He tried to do what was right. He put God first in his life!

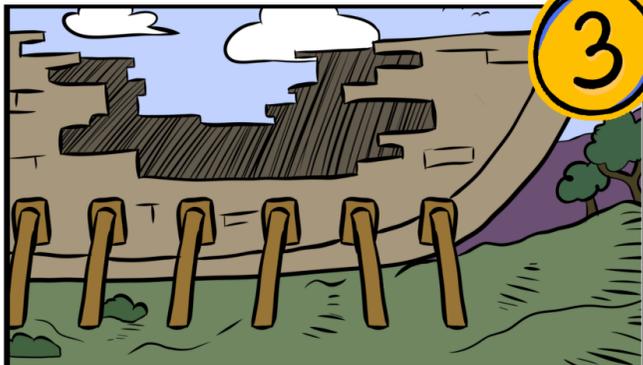

1

But other people didn't listen to God. This made God very sad.

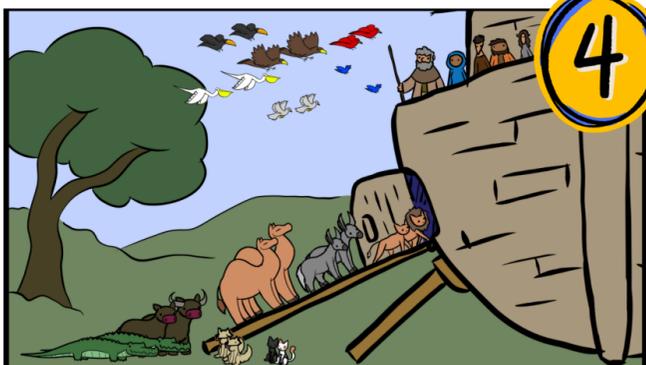

2

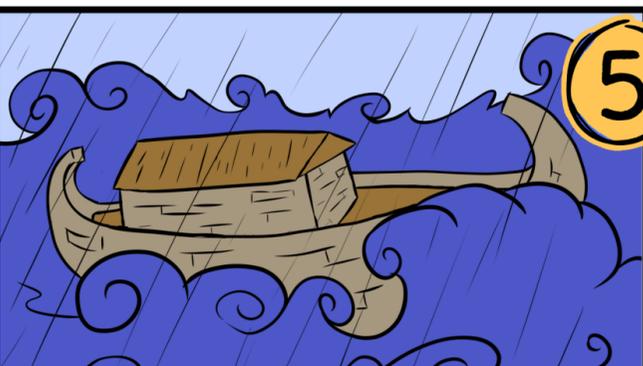

So, God gave Noah a very big, very important job - to build a giant boat called an ark! Noah put God first and got to building.

3

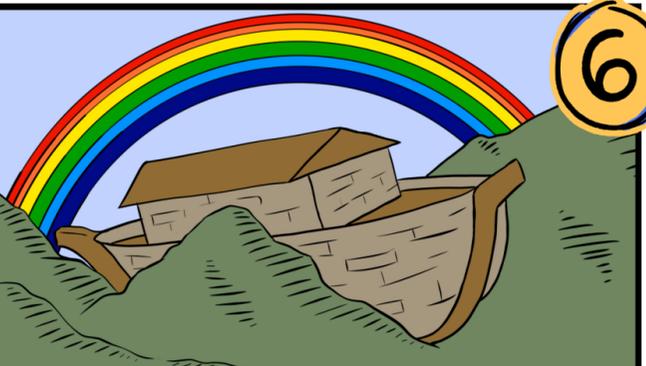

It was hard work, but Noah kept on working. When it was done, God sent the animals, then shut the door. It started to rain!

4

The water rose higher and higher, but Noah, his family, and the animals were safe inside.

5

Noah put God first, and God took care of him and kept him safe! Will you put God first, as Noah did? I WILL PUT GOD FIRST!

6

Noah Put God First!

When we put God first, even when it's hard or when other people don't understand, God promises to be with us and make us strong. He is our foundation! Trace the lines and help Noah get the animals into the ark.
