- **An Unshakable Faith Follows The Wisdom Of God.**

**Wisdom:** practical skills associated with understanding and living a successful life regarding my TIME, TALENT and TREASURE.

**I choose to live in wisdom by:**

**1. Focusing my TIME on God's purposes**

*"You can make many plans, but the LORD's purpose will prevail."* Proverbs 19:21 (p.494)

The secret: Doing God's will.

**2. Connecting my TALENT with faith.**

*"God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another."* 1 Peter 4:10 (p.936)

The secret: Discover, develop and use my talent.

**3. Prioritizing my TREASURE to align with God's heart.**

*"The purpose of tithing is to teach you always to put God first in your lives"* Deuteronomy 14:23 (TLB)

The secret: Recognize His provision.

**My Next Step This Week:** (Daily Prayer) "Lord, show me how to live more in your wisdom with the TIME, TALENT and TREASURE you are entrusting to me today."

Wisdom isn't about God magically making us productive, skilled, or generous; rather, He gives us opportunities to faithfully steward the TIME, TALENT, and TREASURE, He entrust us with.
