Dear Parents,

In this series, we will explore some incredible truths about who God is and who He has made us to be. Today, we worked to answer the big question, “What if Jesus made you who you are?” Students were challenged to put their Trail Map somewhere where they can see it every day, reminding them that they are who Jesus says they are. You can help your child continue learning that they are loved, they are His masterpiece, and that they are forgiven by completing the following activities with the suggested schedule!
