The Life of John
1 John 4:7-12

Dear Parents,
In this series, we will explore some incredible truths about who God is and who He made us to be. Today, we worked to answer the big question, "What if you knew what you were meant for?" Students were challenged to put their Trail Map somewhere where they can see it every day to remind them that they are meant to confidently follow Jesus. You can help your child continue learning that they should know their guide, walk the trail, and invite others by completing the following activities on the suggested schedule!
