Dear Parents,
In this series, we will explore some incredible truths about who God is and who He made us to be. Today, we worked to answer the big question, "What if you loved like Jesus?" Students were challenged to put their Trail Map somewhere where they can see it every day, so they remember to love like Jesus. You can help your child continue learning that they should love up (God), love in (family and church friends), and love out (everyone), by completing the following activities on the suggested schedule!
