**Customer Service Philosophy**

TCM has extensive experience in successfully fulfilling orders that include hundreds of locations for large districts including New York City Schools, Miami-Dade County Public Schools, and Los Angeles Unified School District. TCM understands the need for quality control on order entry and shipping and handling and commits to address and reconcile any order problems. Additionally, TCM will keep up-to-date and accurate records of all orders, shipments, and proof of delivery and will supply such records upon request.

A 15% shipping and handling fee is applied to the product total if the total amount is less than \$250. A 10% shipping and handling charge is applied to the product total if the amount exceeds \$250. We ship all orders of our physical products by UPS for a 7-10 business day delivery time. All orders are shipped from our warehouse located in Southern California. For additional information, please visit <https://www.teachercreatedmaterials.com/administrators/faqs/>.

Additionally, TCM provides adequate packaging to ensure materials arrive in a usable, undamaged state. TCM commits to accept all responsibility for order filling and shipping as well as for any lost or damaged shipments that require replacement. TCM will credit or replace any unusable materials at the company's cost. The district will not be responsible for any shipping, restocking fees, or insurance charges unless specified in the Contract. Should any problems, errors, or damages occur, they should be immediately reported to TCM's Customer Service Team ([customerservice@tcmpub.com](mailto:customerservice@tcmpub.com) or toll-free at 800-858-7339) or to Jarom Stewart, TCM's local Sales Consultant. TCM will issue credit or replacement curriculum at your discretion to resolve any issues.
