The God of the Bible is _____

God is a God who can do anything He _____ to do

God speaking the _____ into existence is evidence of His transcendence

The God of the Bible is a God of _____

Have we so limited God in our minds that we have rendered Him _____?

HAPPY RETIREMENT!

For more than thirty years, Sandra Wright has served as church secretary here at Midway. For the past couple years she has been saying, "It's time for me to get out of here." It's really going to be strange for her not to be here to greet me each morning!

Sandra is the first church secretary I have ever had. Without her, ten years ago I would really have been lost when I first moved to work with the Midway church. She knew everybody. She even knew their parents, their children, their aunts, their uncles, their cousins, and in many cases their next door neighbors! She was a great help to me in learning the members of the Midway congregation.

Church secretaries have sometimes been humorously referred to as "the most powerful person in the church." If you want to talk to the preacher, you have to first talk to the secretary. If you want to schedule an event at the building, you have to first talk to the secretary. Seems like not much goes on without going through the church secre-

tary. A lot of times, if I happen to answer the phone the question is, "Is Sandra there?" If the answer is "No," then the caller just says, "I'll call back later."

Church secretaries wear a lot of hats. Not only do they answer calls, they receive vast amounts of information regarding the sick, events, deaths, and all sorts of other tidbits. They must try to keep up with members phone numbers, addresses, emails, and the often and many changes that are related to these things. They have to keep up with finances and bookkeeping chores. In reality, church secretaries have a pretty big job!

Sandra seemed to know every little quirk about the building. She's pretty much the one who knows where everything is kept. She knows who to call when things stop working. She has been the keeper of the keys to everything.

I (we) wish her the best as she ends her work here and sets off on her retirement adventure!

HELP WANTED: FAMILY DEVO HOSTS!

As difficult as it is to believe that 2018 has already passed us by, It's time for a new year to begin! And with 2019 approaching us, that means a new year full of events for our Youth Ministry and Kids Ministry here at Midway. One of the monthly events we aim to do regularly is hold a family devo for our students of all ages and their families — typically hosted in the home of one of our own Midway families or members.

For 2019, we have wiped the slate clean, and are looking for 12 families (or individuals if you're up to the challenge) to host a family devotional on a Sunday evening during their selected month, with only a few simple requirements for

hosting this event: providing food and a devotional! There are NO requirements for attending this event, no matter how young or old you may be — in fact, we would encourage anyone who hasn't yet attended one of these events to join us during this upcoming year as we sing, fellowship, and study together!

If you have already been one of our regular hosts during the previous years, please let me know if you are still interested in continuing to host this event and what month you prefer. If you have never hosted but are interested in this possibility, feel free to ask me any questions you may have, and I'll be sure to fill you in on how this event typically works and work toward finding the perfect time to set one up with you! We look forward to our family devotionals for 2019 and hope you will join us!
