GROUPS MINISTRY

BIBLE STUDIES AT A GLANCE
The goal of every group leader is to make mature disciples. The Balanced Discipleship Plan can help. This researched-based strategy features seven crucial discipleship categories. Simply map out a plan by choosing a study from each of these categories over the course of a year and you will ensure your group is taking a balanced approach to attaining spiritual maturity.

When Jesus shared the last supper with His disciples, He said, "I have eagerly desired to eat this Passover with you before I suffer" (Luke 22:15, niv). Jesus also wants to have communion with His disciples today. The Lord's Supper is a sacred occasion for believers to remember Jesus' great sacrifice for our sins and to rekindle our love for the One who died for us.

Come to the Lord's Table provides 28 daily devotions that will prepare you to experience the Lord's Supper as a meaningful time of refreshment and renewal in your relationship with Christ. By focusing on the cross, you will realize Jesus' love and sacrifice for you. To partake of the supper in a worthy manner, you will examine your life and repent of sins that disrupt your fellowship with Christ. As you look forward to the wedding supper of the Lamb, you will be encouraged to renew your love for Him and to give Him first place in your life.

Do you need a fresh cleansing from sin? Come! Are you weary and burdened? Come! Do you want to follow Christ and experience the abundant life He came to give? Come! Do you hunger and thirst for more of Christ? Come! The Lord has spiritual food and drink waiting at His table. The needy are welcome there. Come to the Lord's table! He will satisfy your soul.
