Class: Class meets Wednesdays from 6:30 pm – 9:20 pm in room BLB 073.

Office Hours: Remote office hours are by appointment. Please email me or call 940-565-2717 and I will do what I can to arrange an appointment time that is convenient for you.

Course Communication: Course communication to students will be through email and/or Canvas. To ensure that you receive course communications, please check that your email is listed correctly in Canvas. The best way to contact me is via email; do not message me through Canvas.

Course Objectives: The objectives of BLAW 2000 are:

1. Present a summary overview of the legal environment in which decisions – both personal and professional – are made;
2. Present material to provide a basic understanding of the legal system and laws which may affect your personal and professional life and career;
3. Present a basic understanding of law that will provide a basis for further research and learning; and
4. Improve reading comprehension and oral and written communication skills, with particular emphasis on the legal environment.

Text Book: Understanding the Law, 7th edition, John A. McKinsey and Debra D. Burke. ISBN-13: 978-1-285-42842-0; ISBN-10: 1-285-42842-0.

Class Attendance: Class attendance is your choice and responsibility. Class attendance will be noted for the first 2 classes; after that, no specific records will be kept regarding class attendance. Please note that this is subject to change if, given our online environment, too many people misuse this privilege. If this occurs, you will receive an announcement through Canvas that a class attendance requirement will take effect. It is almost guaranteed that attendance (or lack of attendance) will affect your course grade because lecture/discussion material in class will elaborate and range beyond text materials and is primary material for exams.

Taking Notes: It is important that you attend class and take notes. The text and handouts alone will not cover all the material that is discussed in class. You will **not** be given a review outline to summarize material for any test. Your notes are your review.

Handouts: During the semester, handouts may be posted on Canvas. These are intended to supplement material in the text. Handouts may also include material for assignments. It is your responsibility to get these materials.

Class Recordings & Student Likenesses: Class recordings are the intellectual property of the university or instructor and are reserved for use only by students in this class and only for educational purposes. Students may not post or otherwise share recordings outside the class, or outside the Canvas Learning Management System, in any form. Failing to follow this restriction is a violation of the UNT Code of Student Conduct and could lead to disciplinary action.

Minimum Technology Requirements (generally): Computer, speakers, reliable internet access, microphone, and access to Canvas and Zoom.

Technical Assistance: UNT has a Student Help Desk that you can contact for help with Canvas or other technology issues.

UIT Help Desk: [UIT Student Help Desk site \(http://www.unt.edu/helpdesk/index.htm\)](http://www.unt.edu/helpdesk/index.htm)

Email: helpdesk@unt.edu

Phone: 940-565-2324

Exams: Three remote exams will be given during the semester as specified on the exam schedule in this syllabus. On occasion the class may fall behind on topics scheduled to be covered on an exam. If this occurs, only topics actually covered in class prior to the exam will appear on the exam. Exam dates will be changed only in rare cases such as unscheduled breaks due to weather or other extraordinary event recognized by the UNT Administration.

Exams will begin promptly at the scheduled time.

First Exam- 33⅓%
Second Exam- 33⅓%
Third Exam- 33⅓%
Total 100%

Grading Scale:

A - 90-100%
B - 80-89%
C - 70-79%
D - 60-69%
F - 0-59%

Exam Review: The last portion of the class period immediately following an exam (or first portion of class in a following week) will be used to review the exam and argue questions/answers.

Make-up Exams: In exceptional circumstances a student who must miss an exam will be allowed to take the exam early. Make-up exams after the class has taken the exam may be given only with instructor approval.

Extra-Credit Assignment(s): Extra-credit assignment(s) may or may not be given. No extra credit assignments will be given on an individual basis (every class member receives the same opportunities). No late extra credit work will be accepted. Any extra credit assignment will be scored by awarding percentage points which will be added to your total weighted-average exam scores. Total possible percentage points will be given with the assignment (e.g. up to 2 percentage points).

Disability Accommodation: UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one's specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information refer to the ODA website at [UNT Office of Disability Access \(https://studentaffairs.unt.edu/office-disability-access/\)](https://studentaffairs.unt.edu/office-disability-access/).

Academic Integrity: According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University.

Classroom Behavior: I will endeavor to begin on time, end on time, and to use the class period productively. Toward that goal, everyone involved should treat everyone else with respect.

- Questions, comments, and discussion are not only welcome, they are expected;
- Please be respectful of your peers during class;
- Please attend class regularly and punctually;
- Please read the assigned reading material in advance of the scheduled class;
- Please turn to silent/vibrate all cell phones, etc.

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in an instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at [UNT Student Conduct and Community Standards](https://studentaffairs.unt.edu/dean-of-students/conduct/index.html) (<https://studentaffairs.unt.edu/dean-of-students/conduct/index.html>).

Prohibition of Discrimination, Harassment, and Retaliation: UNT prohibits discrimination and harassment because of race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran status, or any other characteristic protected under applicable federal or state law in its application and admission processes; educational programs and activities; employment policies, procedures, and processes; and university facilities. The University takes active measures to prevent such conduct and investigates and takes remedial action when appropriate.

Teaching Evaluations: Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UNT. The survey is made available during weeks 13, 14, and 15 of the long semesters to provide students with an opportunity to evaluate how this course is taught. Students will receive an email from "UNT SPOT Course Evaluations via IASystem Notification" (no-reply@iasystem.org) with the survey link. Students should look for the email in their UNT email inbox. Simply click on the link and complete the survey. Once students complete the survey they will receive a confirmation email that the survey has been submitted. For additional information, please visit the SPOT website at [UNT SPOT](https://vpaa.unt.edu/spot/index.html) (<https://vpaa.unt.edu/spot/index.html>) or email spot@unt.edu.

Emergency Notification & Procedures: UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a University closure, please refer to Canvas for contingency plans for covering course materials.

Student Support Services

Mental Health: UNT provides mental health resources to students to help ensure there are numerous outlets to turn to that wholeheartedly care for and are there for students in need. Listed below are several resources on campus:
