

THEA 4130-001 LIGHTING III

Instructor: Adam Chamberlin

Office: RTFP 212

Phone: 940.369.7592

E-mail: adam.chamberlin@unt.edu

Office Hours: In Person Office Hours are by appointment, or:

Monday 11:00am – 12:00pm

1:00pm – 2:00pm

Zoom meetings are by appointment.

FALL 2025

Time: (M/Wed) 9:00-10:20am

Meeting Place: DATH 127

LAB: TBA

Course Description

This class will explore advanced techniques for theatrical and other entertainment lighting design, instrumentation, and implementation. Through in-depth discussions and design projects, each student will have the opportunity to participate in the design process from initial discussion to final design. With each presentation, we will hone the skills needed to effectively communicate the physical and emotional properties of light. Digital Lighting, LED Lighting, automated lighting, control boards and surfaces, Vectorworks, Lightwright, and Capture will be part of the hands-on training. In addition to the design process, the responsibilities and role of Lead Electricians will be examined.

Course Objectives

- To effectively analyze a script as for the purposes of Lighting Design
- To effectively communicate the physical and emotional properties of light using verbal, written, and pictorial communication
- To effectively manipulate the physical and emotional properties of light in the completion of different types of design
- To gain the skills to effectively document (plot, section, paperwork, etc.) the design process
- To gain a perspective on theatrical lighting design by investigating alternative fields.
- Trained in the proficient use of various lighting control software

As Lighting Designers, we will be using both sides of our brains – half of what we do is subjective and creative, and the other half is formulaic and technical. Our goal is to combine these two create effective and original designs that don't burn down the theatre.

Required Materials

Dedicated minimum 16GB external drive

12" Architects Scale Ruler

Student Edition of Vectorworks Spotlight 2025

(<https://student.myvectorworks.net>)

Lightwright 6 Demo Version

(<https://www.lightwright.com/>)

Capture Student Edition

(<http://www.capturesweden.com/download/student-edition>)

USITT RP-2025, Recommended Practice for Theatrical Lighting Design

Required Texts

Fitzgerald, Deanna. *The Heart of Light: A Holistic Primer for a Life and Career in Lighting Design and Production*

Recommended Texts

Essig, Linda. *Lighting and the Design Idea*

Keller, Max. *The Light Fantastic*

Rosenthal, Jean & Wertenbaker, Lael. *The Magic of Light*

Palmer, Richard. *The Lighting Art*

Carter, Paul. *The Backstage Handbook*

Gillette, J. Michael. *Designing with Light*

Art books, theatre texts, and plays

Attendance

Treat this class as a production you are going to: show up and be on time.

3 Lates (1-15 minutes after the start of class) will count as an absence

2 Really Lates (15-30 minutes after the start of class) will count as an absence

After 30 minutes, lateness will be counted as an absence

Life happens to us all. If there is a lateness or absence for a reason other than University approved activities, religious observances, medical emergencies of a close relative or yourself (documentation required), let's work towards a remedy together.

Participation in a Departmental Productions as Lab Assignments

As part of the hands-on training in this class, you will be assigned a role on one of the departments productions. The available positions and commitments will be discussed and assigned during the first week of classes.

Quizzes:

Quizzes may be given at any point during the class meeting time. There will be no make-up quizzes, except where there is a documented university excuse. Quizzes will only be accepted from students present at the beginning of the quiz.

Course Projects and assignments

- All projects will have a submit by date.
- Most projects will be presented as part of class.
- Discussion of yours and other projects is part of the grading process.
- Clean and organized should be the standard for all work submitted.
- All plots and paperwork are to adhere to USITT recommended practices.
- All work should be submitted as PDFs or Word Docs. No links will be accepted unless specified

Projects

1) Lighting Morgue

- a) Collect at least 5 images that illustrate each of the controllable properties of light (total of 25 images). For each image:
 - i) Clearly label which controllable property it represents
 - ii) A description of the quality of light for each picture

- iii) None of the images should be from an actual production
 - iv) On a printout of two of the images, identify the direction of the primary source of light and any fill light using arrows.
 - v) Submit to final version to Canvas
- 2) Design the lighting for production of *Marisol*. (100pts)
- a) Details:
 - i) In the UT Theatre
 - ii) Use only the inventory provided
 - iii) No moving lights, scrollers, or led fixtures
 - b) TO BE SUBMITTED
 - i) Concept creation and analysis
 - (1) Lighting Concept based on given show concept
 - (2) Research Boards
 - (3) Cue Synopsis
 - (4) Minimum of 3 sketches of light cues, only one can be done with a visualizer
 - ii) Working Concepts
 - (1) Cue List
 - (2) Rough plot
 - (a) In scale
 - (b) Instrument choices
 - (c) Channels
 - (d) Colors
 - (e) Focus points
 - iii) Final Paperwork
 - (1) Channel Hook-Up
 - (2) Instrument Schedule
 - (3) Equipment List
 - (4) Color Schedule
 - (5) Magic Sheet
 - (6) ¼" Scale Light Plot
 - (7) ¼" Scale lighting Section
 - (8) Final Show Cue List
 - (9) Budget Breakdown for Color and Gobos
 - (10) Final versions of
 - (a) Lighting Concept based on given show concept
 - (b) Research Boards
 - (c) Cue Synopsis
 - (d) Minimum of 3 sketches of light cues, only one can be done with a visualizer
- 3) Haiku Project by Timothy Swiss
- a) For this project each student will, in the Light Lab, create an interpretation in light for one of the listed haiku. The student will evaluate his/her chosen haiku and compose a five-cue design incorporating the functions and qualities of light. Cues 1 and 5 will be blackouts. Cues 2 through 4 will contain the body of the design. The cues can be an overall interpretation of the poem or be representative of each line of the haiku. The student will act as both the director and the designer; interpreting the story of the haiku

as well as determining what it represents. The student's design will be based on that interpretation.

- b) Each student will have a choice of haiku (below) and will use the light lab to implement the design. Objects can be placed inside the light lab to aid in the creation of the design. There will be six lights available for this project as well as an assortment of gel and fixtures. Each student will create 5 total cues of which cue 1 and cue 5 will be blackouts. Do not share your choice with the class.

c) HAIKU

Like molten gold
sunlight flows through freezing air
warming me inside.

In the skyscraper
canyons, light outlines moving
shapes sipping Starbucks.

White has many shades.
Shadow blue, sunlit gold, grey
of approaching storm.

Trees have never held
leaves as late as November.
Frost was wrong. Gold stays.

Morning sunshine. First
rays awaken the front lawn
to glittering frost.

Small candles flicker
with wind whipping through windows.
Loud thunder crashes!

Dim light through windows
wind fluttering through curtains
the aroma of rain.

4) Design the lighting for production of *****

a) Details:

- i) In the UT Theatre
- ii) Use only the inventory provided
- iii) No moving lights, scrollers, or led fixtures

b) TO BE SUBMITTED

- i) Concept creation and analysis
 - (1) Lighting Concept based on given show concept
 - (2) Research Boards
 - (3) Cue Synopsis
 - (4) Minimum of 3 sketches of light cues, only one can be done with a visualizer
- ii) Working Concepts
 - (1) Cue List
 - (2) Rough plot

- (a) In scale
 - (b) Instrument choices
 - (c) Channels
 - (d) Colors
 - (e) Focus points
- iii) Final Paperwork
 - (1) Channel Hook-Up
 - (2) Instrument Schedule
 - (3) Equipment List
 - (4) Color Schedule
 - (5) Magic Sheet
 - (6) ¼" Scale Light Plot
 - (7) ¼" Scale lighting Section
 - (8) Final Show Cue List
 - (9) Budget Breakdown for Color and Gobos
 - (10) Final versions of
 - (a) Lighting Concept based on given show concept
 - (b) Research Boards
 - (c) Cue Synopsis
 - (d) Minimum of 3 sketches of light cues, only one can be done with a visualizer
- 5) Create in the Virtual Light Lab the first 10 light cues for *Fences* plus a pre-show look and blackout
 - a) Create a show file in EOS
 - b) Import and focus show in Capture
 - c) Connect show file to Capture
 - d) Do not include house lights
- 6) Create a 1500-word report on one of the following alternative lighting design fields
 - a) Lighting for Video
 - b) Lighting for Film
 - c) Lighting for Museums
 - d) Lighting for Gaming
 - e) Architectural Lighting
- 7) Using the provided Virtual Concert Lighting Rig, design an approx. 3-minute piece of music
 - a) Please time the project so it is one button press
 - b) No additions may be made to the plot or the stage objects
- 8) FINAL DESIGN PROJECT
 - a) Remount Design 1 in a new space
 - b) Provide all paperwork
 - i) Updated cue lists
 - ii) Channel Hook-up
 - iii) Instrument schedule
 - iv) Equipment list

- v) Color schedule
- vi) Magic sheet
- vii) ¼" scale light plot
- viii) ¼" scale section
- ix) Truck size

Evaluation Breakdown

8 Projects	500pts	A: 1000-900
Assignments	250pts	B: 899-800
Lab and Discussion Engagement	250pts	C: 799-700
		D: 699-650
TOTAL	1000pts	F: 649 and below

Class Etiquette

- Cellphones and outside communication can be a distraction to the speaker, to other students, and to yourself. Please silence (including vibrations) your cellphones and smart watches. If there is an extraordinary need to have access, please speak with the instructor prior to the start of class.
- Be kind to your colleagues. We will be having open discussions about design and technology, helping each other to understand techniques and processes.
- Be prepared for your learning. Come to class with materials you need to process information.
- On workdays, please dress appropriate to the task. Closed toed shoes and clothes you are ok with getting dirty.
- To keep the computers working, please keep your workspaces clean, and try to avoid situations where food and drink could be spilled.

UNT Dance & Theatre Department Policies:

Instructors can drop students on the first day of class for being absent without prior arrangement.

Dance/ Theatre students are expected to budget and organize their time and efforts to meet both their academic and production commitments satisfactorily and on time. The faculty and staff recognize that the academic and production assignment within the Department as well as outside employment and other obligations sometimes impose conflicting pressures on Dance/ Theatre students. One of the principal responsibilities of each student is to carefully identify and monitor the commitments that compromise of their departmental assignments and outside obligations. It is also important to keep in mind that production work and outside obligations do not constitute an excused absence from any class or from the completion of any required class assignment.

Theatre majors must maintain at 2.0 GPA within their major classes.

UNT Policies:

Class Policies

General Class Policies

Cellphones and outside communication can be a distraction to the speaker, to other students, and to yourself. Please silence and limit the use of your phones, smart watches, tablets, and computers unless being directly used for educational purposes. If there is an extraordinary need to have access, please speak to the instructor prior to the start of class.

Be kind to your colleagues. We will be having open discussions about design and technology, helping each other to understand techniques and processes.

On work days, please dress appropriate to the task. Closed toed shoes and clothes you are ok getting dirty.

There are no drinks or food allowed except for water that may be sealed.

Safe Space

This class is a safe space where all are welcome regardless of race, gender, creed, nationality or any other external barriers that are perceived to separate us. The utmost respect will be given to the students and the faculty member expects the same in return. Students also must be respectful of their classmates and guests.

If at anytime you do not believe this principal is being upheld please visit with the faculty member and if that is not possible, or your do not feel comfortable doing so, please see the department chair, Dr. Steve Wolverton.

You are also able to contact the Office of the Dean of Students with any of your concerns: deanofstudents@unt.edu This is also a fantastic resource if you are having any issues related to your education at UNT.

Department of Dance and Theatre Policies

Instructors can drop students on the first day of class for being absent without prior arrangement.

Dance/ Theatre students are expected to budget and organize their time and efforts in order to meet both their academic and production commitments satisfactorily and on time. The faculty and staff recognize that the academic and

UNT Dept. of Dance and Theatre

production assignment within the Department as well as outside employment and other obligations sometimes impose conflicting pressures on Dance/ Theatre students. One of the principal responsibilities of each student is to carefully identify and monitor the commitments that compromise their departmental assignments and outside obligations. It is also important to keep in mind that production work and outside obligations do not constitute an excused absence from any class or from the completion of any required class assignment.

Theatre majors must maintain at 2.0 GPA within their major classes.

UNT Policies

Academic Integrity Standards and Consequences

According to UNT Policy 06.003, Student Academic Integrity, academic dishonesty occurs when students engage in behaviors including, but not limited to cheating, fabrication, facilitating academic dishonesty, forgery, plagiarism, and sabotage. A finding of academic dishonesty may result in a range of academic penalties or sanctions ranging from admonition to expulsion from the University. [Insert specific sanction or academic penalty for specific academic integrity violation].

ADA Accommodation Statement

UNT makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide a student with an accommodation letter to be delivered to faculty to begin a private discussion regarding one's specific course needs. Students may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the ODA website at disability.unt.edu.

Course Safety Procedures (for Laboratory Courses)

While working in laboratory sessions, students enrolled in [insert class name] are required to follow proper safety procedures and guidelines in all activities requiring lifting, climbing, walking on slippery surfaces, using equipment and tools, handling chemical solutions and hot and cold products. Students should be aware that UNT is not liable for injuries incurred while students are participating in class activities. All students are encouraged to secure adequate insurance coverage in the event of accidental injury. Students who do not have insurance coverage should consider obtaining Student Health Insurance. Brochures for student insurance are available in the UNT Student Health and Wellness Center. Students who are injured during class activities may seek medical attention at the Student Health and Wellness Center at rates that are reduced compared to other medical facilities. If students have an insurance plan other than Student Health Insurance at UNT, they should be sure that the plan covers treatment at this facility. If students choose not to go to the UNT Student Health and Wellness Center, they may be transported to an emergency room at a local hospital. Students are responsible for expenses incurred there.

Emergency Notification & Procedures

UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). In the event of a university closure, please refer to the UNT Learning Management System (LMS) for contingency plans for covering course materials.

UNT Dept. of Dance and Theatre Retention of Student Records

Student records pertaining to this course are maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Blackboard online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about student's records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and the Family Educational Rights and Privacy Act (FERPA) laws and the University's policy. See UNT Policy 10.10, Records Management and Retention for additional information.

Acceptable Student Behavior

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at deanofstudents.unt.edu/conduct.

Access to Information – Eagle Connect

Students' access point for business and academic services at UNT is located at: my.unt.edu. All official communication from the University will be delivered to a student's Eagle Connect account. For more information, please visit the website that explains Eagle Connect and how to forward e-mail: eagleconnect.unt.edu/

Student Evaluation Administration Dates

Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UNT. The survey will be made available during weeks 13, 14 and 15 of the long semesters to provide students with an opportunity to evaluate how this course is taught. Students will receive an email from "UNT SPOT Course Evaluations via IASystem Notification" (no-reply@iasystem.org) with the survey link. Students should look for the email in their UNT email inbox. Simply click on the link and complete the survey. Once students complete the survey they will receive a confirmation email that the survey has been submitted. For additional information, please visit the SPOT website at spot.unt.edu or email spot@unt.edu.

Survivor Advocacy

UNT is committed to providing a safe learning environment free of all forms of sexual misconduct, including sexual harassment sexual assault, domestic violence, dating violence, and stalking. Federal laws (Title IX and the Violence Against Women Act) and UNT policies prohibit discrimination on the basis of sex, and therefore prohibit sexual misconduct. If you or someone you know is experiencing sexual harassment, relationship violence, stalking, and/or sexual assault, there are campus resources available to provide support and assistance. UNT's Survivor Advocates can assist a student who has been impacted by violence by filing protective orders, completing crime victim's compensation applications, contacting professors for absences related to an assault, working with housing to facilitate a room change where appropriate, and connecting students to other resources available both on and off campus. The

UNT Dept. of Dance and Theatre

Survivor Advocates can be reached at SurvivorAdvocate@unt.edu or by calling the Dean of Students Office at 940-565-2648. Additionally, alleged sexual misconduct can be non-confidentially reported to the Title IX Coordinator at oeo@unt.edu or at (940) 565 2759.
